

The Phoenix Flier

August 2011

Getting involved

Initial feedback from the Public Survey indicated that the top ranking projects are:-

- Provision of a community notice board;
- Improvements to the Inveraray Road approach;
- Improvements to the Clock Lodge; and
- Improvements to the Front Green.

Community Notice Board

We are currently in discussions with the Council regarding the provision of a notice board on the Front Green based roughly on this design. Please contact us via the Website – www.lochgilpheadphoenix.org - if you would like to be involved with this project.

You can still complete the public survey at www.surveymonkey.com/s/JXRTXG3 and you can encourage visitors to give us their views at www.surveymonkey.com/s/S9BCWTD

Take part in the fishing competition on the Crinan Canal on 11th Sept – contact us for more details

The Clock Lodge

We have also held discussion with the Council regarding the Clock Lodge. Do you have any ideas about uses which could be accommodated within this building – if so complete the contact form on the website including details of your ideas.

All at sea ... and on the Canal

The first Phoenix Raft Race was held in June and the winners of the Phoenix shield were the Mid Argyll Rugby Club with HMS Plantyard. The Phoenix Project also participated in the Dragon Boat Racing as part of the Crinan Canal Water Festival in July and came in first place.

Can you help raise funds for the Phoenix Project – all money raised will help to support regeneration projects within Lochgilphead.
