

# The Phoenix Flier

August 2012

## The Clock Lodge

Back in January we submitted proposals to the Council to update the Options Appraisal to see if the building can be converted and brought back into use. We are pleased that the Council have agreed to allow us time to update the report. We are currently applying for funding and obtaining tenders from consultants. If you have any suggested uses for the building please [contact us](#) and let us know.

## Beach Clean

Around a dozen local residents turned out in March when we collected a skip full of rubbish from along the foreshore, thanks to all those who took part and also to GRAB who provided support and funding through their litter grant.

## Lochgilphead Soccer Centre

The Phoenix Project were pleased to be able to support the Soccer Centre for the third year in a row by providing medals for the end of season presentation. The Phoenix Shield was presented to Ciaran McPhie as the winner of the overall skills test for the second year in a row, well done Ciaran and all the other winners.
