

# The Phoenix Flier

October 2012

## Community Noticeboard

We believe we have made some significant progress with the Council on our preferred design subject to a minor relocation on the front green. There remain some administrative details to be worked out, but we are optimistic.

### The Clock Lodge

Funding has been secured for a new option appraisal exercise and an initial site meeting was held on 8 October. This project is being partly funded by the Scottish Government and the European Community and Argyll and the Islands Leader 2007-2013 programme. Funding is also being provided by Argyll and Bute Council, The Architectural Heritage Fund and RIAS Scottish Community Projects Fund. We are being assisted in this work by the Strathclyde Building Preservation Trust.

We will be conducting a thorough consultation with the local community in the next few weeks, but in the meantime if there are any fresh ideas on a sustainable use for the building do pass them on via the [contact us](#) page of our website.

## Donate Online

You can now make online donations to the Phoenix Project via our [Getting Involved](#) page.

**Can you help raise funds for the Phoenix – all money raised will help to support projects within Lochgilphead.**

## Coming Up

**Consultation on proposed uses for the Clock Lodge** – keep an eye on the local press to get involved or [contact us](#) via the website with your suggestions

**The Barber's Boys Calendar** – coming soon

## Getting involved

Become our friend on Facebook and keep up to date with our activities. Search for Lochgilphead Phoenix.

If there's something you would like to see done then why not let us know. We meet fortnightly; please [contact us](#) if you have any proposals.
