Trustees' Report

The trustees present the annual report together with the financial statements of the charity for the year ended 30 April 2024.

Objectives and activities

Public benefit

To further public benefit, the charity undertakes the advancement of education, citizenship and community development, the arts, heritage, culture and science, and the advancement of public participation in sport, and environmental protection or improvement. It further undertakes the provision or organisation of recreational activities, with the object of improving the conditions of life for the persons for whom the facilities or activities are primarily intended.

The trustees confirm that they have complied with the requirements of the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006.

Achievements and performance

Progress on the restoration of the iconic B-Listed Clock Lodge building has been frustrated as the site owner has confirmed thay will not be developing their Country Store on the site and are unable to clarify their current plans. Funding was secured via a £3000 donation for legal advice on the charity's options.

We have continued to lobby for the interest of Lochgilphead with an ongoing dialogue with elected members and fulltime council officers and other groups. Those activities extended to liaison with the Council on the front green development and lobbying on active travel plans particularly on the linkage to the Crinan Canal. We remain hopeful that said initiatives to upgrade local pathways might allow progress towards a Corran nature trail.

We have been a partner with the Lochgilphead Community Council in organising the increasingly successful annual Celtic and Pictish festival since its inception in 2016. We were able to assist in funding for the 2023 event via grants and our own resources. In order to expand the reach and benefit of the festival, Lochgilphead Phoenix Project has now taken on ownership of the event and were successful in securing substantial resources from the A'Cruach wind farm fund for the next 3 years, starting with the August 2024 event.

Structure, governance and management

Recruitment and appointment of trustees

The Trustees administer the charity, and are appointed at the Annual General meeting, and operate on a volutary basis. The Trustees meet at various times during the year as appropriate.

Organisational structure

The charity became a Scottish Charitable Incorporated Organisation on 25 March 2014.

The annual report was approved by the trustees of the charity on 22,12,14, and signed on its behalf by:

Mr. M. Sinclair

Trustee

Statement of Trustees' Responsibilities

The trustees are responsible for preparing the trustees' report and the financial statements in accordance with the United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

The law applicable to charities requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities and Trustee Investment (Scotland) Act 2005, the Charity Accounts (Scotland) Regulations 2006 (as amended), and the provisions of the constitution. The trustees are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Approved by the trustees of the charity on 22.124 and signed on its behalf by:

Mr. M. Sinclair

Trustee

Independent Examiner's Report to the trustees of Lochgilphead Phoenix Project (SCIO)

I report to the trustees on my examination of the accounts of Lochgilphead Phoenix Project (SCIO) for the year ended 30 April 2024.

Responsibilities and basis of report

As the charity's trustees of Lochgilphead Phoenix Project (SCIO) you are responsible for the preparation of the accounts in accordance with the requirements of the Charities and Trustee Investment (Scotland) Act 2005 ('the Act') and the Charities Accounts (Scotland) Regulations 2006 (as amended).

I report in respect of my examination of the Lochgilphead Phoenix Project (SCIO)'s accounts carried out in accordance with Regulation 11 of the 2006 Accounts Regulations, and in carrying out my examination I have followed all the applicable Directions given by the Scottish Charity Regulator under section 44(1)(c) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1. accounting records were not kept in respect of Lochgilphead Phoenix Project (SCIO) in accordance with Section 44(1)(a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations; or
- 2. the accounts do not accord with those records; or
- 3. the accounts do not comply with the accounting requirements concerning the form and content of accounts set out in Regulation 9 of the 2006 Accounts Regulations other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Notes to the Financial Statements for the Year Ended 30 April 2024

1 Accounting policies

Statement of compliance

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended).

Basis of preparation

Lochgilphead Phoenix Project (SCIO) meets the definition of a public benefit entity under FRS 102. The accounts (financial statements) have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant note(s) to these accounts.

Going concern

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern.

Transition to FRS 102

In preparing the accounts, the trustees have considered whether in applying the accounting policies required by FRS 102 and the Charities SORP FRS 102 a restatement of comparative items was required. No restatements are required as a result of the transition to FRS 102.

Income and endowments

Voluntary income including donations, gifts, legacies and grants that provide core funding or are of a general nature is recognised when the charity has entitlement to the income, it is probable that the income will be received and the amount can be measured with sufficient reliability.

Donations and legacies

Donations and legacies are recognised on a receivable basis when receipt is probable and the amount can be reliably measured.

Grants receivable

Grants are recognised when the charity has an entitlement to the funds and any conditions linked to the grants have been met. Where performance conditions are attached to the grant and are yet to be met, the income is recognised as a liability and included on the balance sheet as deferred income to be released.

Expenditure

All expenditure is recognised once there is a legal or constructive obligation to that expenditure, it is probable settlement is required and the amount can be measured reliably. All costs are allocated to the applicable expenditure heading that aggregate similar costs to that category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources, with central staff costs allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use. Other support costs are allocated based on the spread of staff costs.

Notes to the Financial Statements for the Year Ended 30 April 2024 (continued)

Charitable activities

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Grant provisions

Provisions for grants are made when the intention to make a grant has been communicated to the recipient but there is uncertainty about either the timing of the grant or the amount of grant payable.

Governance costs

These include the costs attributable to the charity's compliance with constitutional and statutory requirements, including audit, strategic management and trustees meetings and reimbursed expenses.

Taxation

The charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

Fund structure

Unrestricted income funds are general funds that are available for use at the trustees discretion in furtherance of the objectives of the charity.

Restricted income funds are those donated for use in a particular area or for specific purposes, the use of which is restricted to that area or purpose.
